## BOARD OF HEALTH.

Proceedings at the Meeting Yester-  
day Afternoon.

The Board of Health met at 3  
o'clock yesterday afternoon pur-  
suant to call.

On motion the shipment of  
powder and shot to Kauai was al-  
lowed, but it does not appear why  
the permit does not include the  
other islands.

The consideration of the one  
bid to furnish disinfectants was  
turned over to a committee.

On motion fertilizers were added  
to the list of goods allowed to be  
shipped. This was done with the  
understanding that the materials  
contained acid.

After a discussion on the sub-  
ject of shipping new goods to the  
other islands a motion was finally  
passed allowing all goods in the  
Custom House warehouse, bonded  
before August 1st, including wines  
and liquors, to be shipped, but all  
Chinese and Japanese goods were  
excluded from this permit.

J. I. Dowsett asked permission  
to put the schooners Heena and  
Rob Roy into quarantine, preparatory  
to conveying natives to Mo-  
lokaui. The request was laid over.

The matter of Chinese freight in  
bond and to arrive by the China  
was taken up, and preparatory  
steps in readiness for fumigation  
were ordered taken.

J. F. Colburn wrote to the  
Board asking that the tabu on fish  
be removed to the extent of allow-  
ing fish caught in the open ocean  
or on the other side of the island  
to be sold. The matter was taken  
under advisement.

The Board then went into Exe-  
cutive session.

## A Word to the Wise.

Once there was a chief scav-  
enger who deplored the laziness  
of his under scavengers.

"What shall I do to make them  
nip up?" he asked, in despair.

"I will compel them to wear  
clean, white clothes," was his  
conclusion. "If they fail to keep  
the streets clean, their uniforms  
will get dirty."

And it was so.—S. F. Bulletin.

leave for Kauai ports on Tuesday  
at 5 p.m. She will receive per-  
mitted freight at the Inter-island  
wharf on Monday and at the  
Mail Wharf on Tuesday.

LOST—A small boy about the  
size of a man, freckle built and  
slim complexion; he wore a pleas-  
ant smile, and carried a wooden  
bag containing a couple of left-  
handed railroad tunnels, a second  
hand porous plaster, also one of  
Brown & Kubey's late catalogues.  
When last seen the lad was in  
their store on Hotel street exam-  
ining some fine jack knives.

"I have suffered everything possible with  
sore eyes and headache, the sores so severe  
that I was blind. I tried everything I heard  
of without benefit, and went to the Rhode  
Island Hospital, but found no relief there.  
A friend told me of Hood's Sarsaparilla, so  
I bought a bottle and a box of Hood's Pills.

## Blood Diseases,

When the blood is diseased and  
the system Anemic or Scrofulous,  
it carries sickness through the  
whole body, for the current of  
human life is in the blood. This  
proves how necessary it is to have  
pure rich blood, because an im-  
poverished condition of it brings  
on Fevers, Malaria, Rheumatism,  
Bowel Complaints, Lung Scrofula,  
General Debility, etc.

RESTORED MRS. DARROW  
TO HEALTH AND HAPPINESS.

This is the Medicine That  
Makes People Well!

MRS. AUG. DARROW.

WELLS, RICHARDSON & Co.,  
Gentlemen:—I was very much run down, had no appetite at all, was very nervous, had no sleep night or day; to sum it all  
up, I WAS PERFECTLY WRETCHED. But thanks to Paine's Celery Compound I can now eat and sleep and work just as  
well as I could before I was taken sick. When I commenced taking the Compound I weighed 136 pounds; I now weigh 158  
pounds and do all the work for my family of five. I have recommended the Compound to three families already and they are  
very much pleased with it. I am now taking my fifth bottle, and would RECOMMEND IT TO ALL WHO ARE SUFFERING  
WITH STOMACH TROUBLE OR NERVOUS TROUBLE.

Yours respectfully,  
MRS. AUG. DARROW.
